

MRAC Friday Night 2 meter net

This is ***your call sign***. Does anyone need to use the repeater before we start the MRAC Friday evening 2-meter net? We will be starting the net shortly.

(short pause)

Good evening and welcome to the **Milwaukee Radio Amateurs' Club - Friday night - 2-meter repeater net**. My name is *your name* and will serve as net control this evening. Technician class and higher Hams are encouraged to participate. We meet every Friday evening at **9:00 p.m. local time** to promote HAM radio and the use of this repeater.

If you'd like to learn more about our club you can find more information on our website at: www.w9rh.org

If anyone has emergency traffic, Please break in at any time.

During check ins, please key your mic, and say this is, then un-key and listen. If the frequency is clear, **respond** with your call-sign in standard phonetics and your first name.

Let me know if you are mobile or on short-time and we will take you first.

I will now begin to take check-ins. This is ***your call sign***.
